SVS is a certified and trustworthy **manufacturer, supplier, and exporter of stationery products in Mumbai, India.** For the last several years, we have been serving our clients by designing a quality range considering their requirements and preference. We are specialized in developing a varied array of stationery products for schools, and offices consisting of Display Book, Document Folder, Clip Ring, Streep File, Ring Binder, Visiting Card Album, Polypropylene Products, Softy Clip, and more. The entire range is developed by our expert team under the strict vigilance of our mentors.

We don't compromise with the quality and hence test each of our products on several parameters before dispatching it.

Apart from supplying the product in India, we also export our manufactured range of files, folders, and other stationery products throughout the globe. To design the quality range of products according to the industry standards, we have a sophisticated infrastructure well-equipped with all the necessary machines and tools.

Manufactured using innovative tools and techniques and superior grade raw materials, our customized products are acknowledged for their long life, fine finish, excellent quality, and other features. Furthermore, our products are also acclaimed for their industry-leading price.

Now, we are a reputed name in the industry and it became possible only because of our hard-working team. The consistent work and effort of our team have helped us to attain a recognized position in the industry and gain a huge client list.

Reliability and credit ability are not enough to describe a market leader like **SVS**. We are a renowned company acknowledged for designing, supplying, and exporting Polypropylene Products, Document Folder, Clip Ring, Ring Binder, Display books, Streep files, Softy clips, Visiting Card Album, Computer Binder, and many more stationery products for the customers. The huge client base and growing demand for our designed products make us a trustworthy name in the industry.

Designing Quality Products

We are known for the development of only high-quality products. All our products are tested on various parameters for quality assurance.

Team of Perfectionists

We have a highly skilled and expertise team to manufacture all kinds of stationery products for the customers.

Customer-Focussed

We are a client-centric firm and hence we work with the motto of providing 100% satisfaction to the clients with our services.

Goal-Oriented Approach

We work to complete the pre-defined objective of providing an extensive array of products to the customers as per their demand.

Well-Equipped Infrastructure

We have a wide range of technically advanced machineries and equipment to manufacture quality-approved products.

Timeliness

Our expertise lies in manufacturing a customized array of products for the customers in a given time-slot.

Mission & Vision

We, as a customer-focused organization work to offer an extensive array of good quality products to our esteemed clients. To achieve our mission, we work in a planned way from the beginning of the project to its end.

Transparent Business Dealings

Ethical business dealing is one of the major key factors that play an important role in our success. We always maintain transparent business dealing with our clients and partners as well and build long-term business communication with them.

Premium Quality Products

We don't compromise with the quality of the products. Meanwhile, we design all our products using superior quality raw materials procured from trustworthy and certified vendors only.

Frequent Improvement

We always try to make improvements in our offered range so that a customer can get excellent quality products from our end.

Follow Safety Measures

We follow all necessary safety measures while designing the products. Considering the safety factor, we take extreme precautions and care in each step of the manufacturing process.

Devoted and Experienced Team

We have a highly skilled and trained team to work with us and provide the best range of products to the customers. It is through the sincere effort and hard-work of our perfectionists that we are able to attain this reputed position.

Use of Advanced Methodologies

Our aim is to provide the products to the customers according to their requirements and latest industry trends and hence we use innovative methodologies to manufacture all our products.

Customer-Focused

We are a client-centric firm and hence we work with the motto of providing 100% satisfaction to the clients with our services.
